Why United RV?

United RV Center is family owned and operated and has been serving the RV industry for over 40 years! Our goal at United RV is simple - we want to become "Your Full Service RV Dealer." With this goal in mind, we offer our customers "One stop shopping."

Our facility includes a large air-conditioned showroom, a 12,000 square foot parts and accessory department, and a 20-bay service facility. Furthermore, we offer RV storage, LP gas, RV Rentals and an RV dump station. Whether you're in the market for a new RV or a pre-owned RV, need fast and quality service, or just want to see the newest parts and accessories available, United RV Center is the only place you will ever need to remember.

We maintain millions of dollars of RV inventory of new and used RV's to fit any lifestyle or budget. Our selection includes Class A Gas & Diesel Motorhomes, Travel Trailers and Fifth Wheels. We only carry the top names in the business - Cardinal, Wildcat, Sierra, Salem, Surveyor and Work & Play travel trailers and fifth wheels by Forest River. MPG (ultra-lite teardrop) & North Country Travel Trailers by Heartland, Laredo travel trailers & 5th Wheels by Keystone & Excel 5th Wheels by Peterson Industries. We also carry a wide selection of "new dealer "REPO" inventory. Check this out, it changes almost daily.

Our air-conditioned showroom is always stocked with the newest models for your viewing pleasure, especially on those days that it is just too hot or rainy outside to look.

United RV Center's parts and accessory department is one of the largest of it's kind in Texas. If you are looking for a hard-to-find part, chances are with

over 10,000 different quality brand names in stock, we've got it! If not, we will locate it quickly and have you back on the road in no time. Our parts staff has made a name for themselves by providing personal service and expert advice that has kept our customers coming back for years and years.

We take great pride in delivering the best possible service before and after the sale. Our service department is staffed with RVIA/RVDA CERTIFIED RV technicians ready to get your RV back to you in a quick and timely manner, right the first time. United RV knows, when service counts - COUNT ON US!

Now is the perfect time to start enjoying the RV lifestyle and find out what United RV's customers have known for years: that there is no better way to travel, see the country and spend time with your family than in your new RV.

So come on by today and see us. Once you see the low prices, personal service and friendly people here, you'll see what sets United RV apart from the competition.

When Service Counts - Count On Us!

United RV Center's Service Department is one of the largest and growing service facilities in the area. We realize reputation is important and work hard to deliver you the best possible service before, during and after the sale! We service all makes and models of RV's - not just the ones we sell. Our service team is staffed with factory RVDA CERTIFIED RV technicians and installers. We specialize in rubber roof and metal replacement; satellite systems; RV Awnings, tow bars and braking systems; appliance installations and repairs; 5th wheel hitch installations; RV generator repairs; extended service contracts honored - and so on...

Our customer waiting lounge has FREE Wi-Fi!

Call or email our Service Department to schedule an appointment today. Whether you purchased your RV from us or not, we are here to serve you. Come on by and take advantage of our years of knowledge and experience!

DOMETIC SLIDE TOPPER DELUXE

Keep nature outside with the Dometic Deluxe Slide Topper

How to Measure for Your SlideTopper:

To determine which size of SlideTopper you require, measure your room according to the picture above and the chart to the right. The Slide Topper will not work on rooms with a full extension greater than 44".

Without a Dometic SlideTopper protecting your slideout, you're bringing in all the weather, twigs, leaves and other gifts of nature into your RV every time you close your slideout!

Mounted permanently to the unit, high quality, durable vinyl fabric and a wide overhang keep harmful debris away from the top of your slideout.

- SlideTopper keeps your slideout room cool, dry and well protected
- A vinyl weathershield keeps Deluxe SlideTopper protected
- Waterproof and durable, the vinyl fabric and weathershield are available in Polar White

TOWING SYSTEM SALE!

Every Day Low Prices!!

Blue Ox Tow Bars

Aventa LX

The Aventa™ LX has a ball in socket design that incorporates a spherical joint instead of the traditional bolted together flex joint. This cutting edge design reduces wear joints and allows for an extremely strong and durable attachment between the coach and the towed vehicle.

- Cutting edge ball-in-socket design
- Off-set triple lugs to better align towing forces
- Dependable steel construction
- Class IV tow bar, for use with towed vehicles up to 10,000 lbs
- Legs collapse & extend to lock for easy hook-up
- Hook up is a cinch - the 360 degree swivel allows you to be out of alignment or on uneven surfaces
- Weighs approximately 42 lbs
- Three year warranty on tow bar

\$1899

Installed

\$699 Aventa LX only

Aladdin

The Aladdin™ is the lightest tow bar in the Blue Ox line. Its direct-connect, fold-away design is a proven favorite among towing enthusiasts.

- Class III tow bar, for use with towed vehicles up to 7500 lbs*
- Easy fold-away aluminum tow bar mounts and stores on back of RV
- Self-aligning, with 3 axis swivel design
- The ultimate in quick disconnecting
- Weighs less than 37 lbs
- Three year warranty on tow bar

\$1999

Installed

\$779 Aladdin only

Includes Towbar, Baseplate, Wiring, Safety Cables, Cover & Receiver Lock

Towed Vehicle Braking Systems

Unified Tow Brake

The Unified Tow Brake is like no other on the market today. A 12 volt vacuum pump mounts in the engine compartment of the towed vehicle, thereby using the power brakes of both vehicles (the RV and the towed vehicle). This exclusive, patented feature sets US gear leagues apart from other available braking products. If your engine suddenly dies, the US gear product is able to maintain vacuum and still use the power brakes of the towed vehicle.

\$1999

Installed

Patriot Braking System

The Patriot from Blue Ox gives you the comfort needed when you are braking your tow vehicle. Not only is it convenient and easy to store, but it also proportionally applies the brakes smoothly while you're slowing down to a stop, instead of suddenly jolting your tow vehicle causing costly damage to your brakes. The Patriot even works with Hybrids! All Blue Ox braking systems come with a one year warranty.

\$1399

Installed

or \$1199 Carry Out Price

* In the state of Texas, you are required by law to use auxiliary braking system if what you are towing weighs more than 4500lbs.
